The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the WVU School of Nursing for 1.2 contact hours. The WVU School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule #19CSR11-4 under provider number 50-26086.

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The WVU School of Dentistry designates this activity for 1 continuing education credit.

Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices.

Concerns or complaints about a CE provider may be directed to the provider or to Commission for Continuing Education Provider Recognition at ADA.org/CERP.

**Target Audience:** Students, faculty, residents interested in clinical and translational research

**Objectives:** Following this course, participants should be able to

- Demonstrate understanding of key concepts in Human Subject/Clinical Research
- Describe clinical trial methodology and apply relevant information to clinical research conduct practices
- Maintain high level of compliance to regulations pertaining to Human Subject/Clinical Research for the protection of human research subjects and trial integrity
- Describe the roles and responsibilities of research team members
- Effectively communicate with patients the values of clinical research

**Disclosure:** All those in a position to control content of this program have indicated they have no relevant interests to disclose
